**ADDENDUM #1**

**Total pages: 1 THE SOLICITATION IS REVISED AS FOLLOWS:**

The first cut-off for receipt Qualifications is August 20, 2003. All Qualification Packages received by the first cut-off date will be reviewed and those found qualified will be allowed to participate in competition for award of S.H.I.P. projects under this solicitation.

The County will continue to accept qualification packages after the first cut-off date; however, those packages may not be evaluated until additional qualified contractors are needed for S.H.I.P. projects. Additional contractors may be needed if some pre-qualified contractors drop out or if the volume of projects is such that additional contractors are needed. If and when additional contractors are needed, qualification packages will be evaluated in the order in which they were received until the County has the necessary number of pre-qualified contractors. CC-1212-03/PWM will be closed by an addendum when packages are no longer being accepted.

The information included in this Addendum revises, clarifies, or supplements the specifications and other provisions of the contract documents and is considered part and parcel to the Bid Package.

Failure to acknowledge receipt of this addendum on the submittal may result in disqualification of your bid response.
